Notable features:

Numbers 802-808 form a pretty little group, with a good iron railing on 802. These houses could be demolished without major architectural loss if the plan called for opening up of the blocks. On the other hand, if they were rehabilitated and new and similar houses infilled great care should be taken to prevent high densities as the street is now quiet and quite pleasant. Number 808 has a promenade gallery at rear on the 10-foot alley, but it is in hazardous shape.

Insignificant/detrimental good fair poor bad

Environmental context:

Numbers 802, 810, and 814 are vacant; 816 is a vacant lot. (See sheet for 832-844 Vine.)
